

## THE NATIONAL JEEP

The Official Publication of The National Twenty and Four  
Honor Society of Women Legionnaires

**April 2024**

Editor: Diane Schmidt, PND

Ethel Matuschka, Editor Emeritus

### Georgiann "Gigi" Callaway, National Director VIP

Just weeks ago, March 19th to be exact, Spring began. This was the Equinox this year. (Equinox descends from aequus, the Latin word for "equal" and nox, the Latin word for "night" ----a fitting history for a word that describes days of the year when daytime and nighttime are equal in length. In the Northern Hemisphere, the vernal Equinox marks the first day of spring and occurs when the Sun moves north across the Equator.)

So, what does that mean to us? It means warmer weather and more daylight hours! To sum it up---SUNSHINE! (Yes, even for our southern states.) That will be such a welcome change after the frigid temperatures of winter.

It has been such a pleasure reading about, hearing from and/or visiting Echelons. Many have planned well and the innovations to keep their Echelons on the move over the last seven months have been notable. Huge "BZ" to all those who implement the "buddy check" and continue to make it a regular practice. Excellent!!

April marks the month where we start crossing our "t's" and dotting our "i's" so we are don't miss anything. The Bivouac Planning Committee is doing exactly that for Bivouac 2024. Important: If you plan to run for National Office, your Echelon must vote at an Echelon meeting to endorse you for that office. Send the minutes of the meeting and the resolution (make sure that the date of meeting where you are endorsed is stated in the "Whereas") to Patricia Jackson Kelly, PND. Officers and Committee NMI's should begin working NOW on your reports.

Incidentally, at The American National Executive Committee Fall Meeting in October 2022, they passed Resolution No. 7, The American Legion Family Day to be observed on the last Saturday in April. This is a great occasion to build Echelon membership.

May is a busy month for all of us: Mother's Day, Armed Forces Day, and Memorial Day to name a few events. Memorial Day is planned at most American Legion Posts. It reminds this writer that as we see some changes in this great land of ours of the following that many people do not understand (most of us will): Memorial Day is a focus for all of us. It should not have to be said that it is a day for REMEMBERING. That is what Memorial Day is about. We do not say "Happy Memorial Day" -----We should not look for "the big sale" ----There is nothing happy about those who gave the ultimate sacrifice. Nor do we make it cheap by thinking about a "sale." We need to set the example. We should write letters to the Editor of your local newspaper. It is a day of giving and showing respect. We must ensure that all the Cemeteries, where any of our Fallen Brothers and Sisters are laid to rest, have flags firmly planted on the ground. It is a day when we speak of the actions that they bravely made so for us to have the freedoms of today. We plan Memorial Day Ceremonies so that folks hear the 21-Gun Salute for our Fallen and then Silence at the first note of TAPS. We speak up to Remember. We speak to ensure Americans remember.

Lastly, plan now to attend Bivouac on August 22-23, 2024 in New Orleans. We are going to have a great time. Invite others to join us for the Banquet.

Semper Fortis - For God, Family and Country, warm regards

**Mildred Wright Pearson,  
Senior Vice National Director**

Greetings to all and welcome to a new year. This is a leap year when all things are possible. It is my hope that you had a wonderful Valentine's Day. This is the perfect time to ask sister veterans to join our ranks. One way could be to have your Echelon invite potential members to a dinner event. If they are married, invite their spouse to join as a Top Hat. A well-planned Valentines event (and not necessarily on Valentine's Day) may be the catalyst for new membership.

Remember that the National Bivouac has set the goal of 2 new members for membership year of 2023-2024. If you have lost members, you will need to replace them and still gain 2 new members. Refer to your ending membership numbers to find out what you will need to meet the goal set by National. Our fiscal membership year runs from August to July of each year. As an incentive, we have awards for membership goals. Refer to your National Twenty and Four Manual of Procedures for Awards. The Membership awards are:

- Abbie Bachelder Trophy: Echelon that achieved 100% membership after October 1st or 30 days after the National Bivouac whichever is later.
- Barbara Mallow Award: First Echelon with a membership over 30 to achieve 100% membership by January 30th of the current fiscal year.
- Lillian Cleveland Award: The Echelon with the most new Twenty and Four members by June 30th.

Those of you who were assigned to Echelon Development by the National Director VIP to research the possibility of starting a new Echelon in your geographic area, let me know how you are doing and what if any issues you are having. If I can help in any way, please let me know. I am here to help. We would like to branch out into states in your area to help replace Echelons we have lost in the past. Your work in this Echelon membership project will help to improve our numbers and position as a female veteran organization. Remember, failure to try never leads to success.

Let us enjoy this new year and good luck to all in your membership goals. We are hoping this will be an excellent year for an increase in new Echelons and in members. Working together, we will get this done.

Best health to all,  
Mswp48@gmail.com  
(559) 250-8247 (text/voice msg)  
(559) 68-7876 ((fax)

**Jan Lepinski,  
Junior Vice National Director**

jlepinski@aol.com  
312.305.9789.

**Tweila-Rochelle Cauthen,  
Sky Pilot**

Buddy checks are a great way to ingest positive life food. It's always cool just to call someone not because you need something from them but just because you wanted to hear their voice. The call does not necessarily need to be long.

The Dalai Lama once said: "As a human being, I acknowledge that my well-being depends on others and caring for the well-being others as a moral responsibility I take seriously." That sounds like a great theme for world changers. We are world changers!

Jeepettes, pray for each other. Encourage each other. That is the first step in changing this world.

To all Echelon Sky Pilots: please send me your email address so that we can meet prior to the National Bivouac. tcauthen@legion.org

The best thing you can do is to not rush your recovery. Rest, save your energy and you'll feel better in no time. We are thinking of you every day and sending you lots of hugs and virtual chicken soup!

**GET WELL SOUP-ER SOON!**

Get Well:

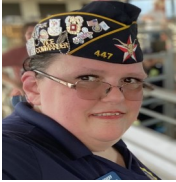

PND Judi Beischel

Top Hat Bobby Barker Husband of PND Carol Barker

Mike Callaway Husband of ND Gigi Callaway

And all Jeepettes and family members

who are on the mend.

**Lisa Dayhoff,  
National Aide**

Spring has come upon us, Jeepettes! It is time to start to thinking about our National Bivouac and elections. This has been an interesting year for me as I am learning the job of Aide. I am grateful for the assistance and advice that I have received from everyone and am eager to present my ideas for improving some of our processes.

I am eagerly waiting to receive historical documents from our former National Aide. By learning the reason for decisions made in the past while help us to understand.

Some membership transmittals have not reached me yet but I am working with Echelon Aides to get the data corrected. We are currently at 62.58% of our goal. Paperwork has been submitted for a new Echelon to be presented for approval at our National Bivouac.

We all have the same goal to help this organization to survive and thrive. Together, we can make a difference for our Sisters in Arms.

---

**Veterans Canteen Services (VCS)**

Provided by Diane Schmidt, PND

In 1946, Veterans Canteen Services was established by law to provide comfort and well-being to America’s Veterans. With our many retail stores, cafes, and coffee shops across the country, we serve those who have served our country. VCS has a singular mission. Our canteens are whole health spaces for Veterans to connect, relax, share, and care for themselves in an environment that is their benefit. We are proud to serve America’s Veterans and those who provide for their care.

VCS is joining VA’s Whole Health initiative by increasing focus on fresh, healthy food options in our cafes and retail stores.

Whole Health starts with a single: What matters to you, the Veteran? This focus on the individual means Whole Health is unique to each Veteran. This approach to care empowers, equips, and treats Veterans so that they can take charge of their health and well-being and live life to the fullest.

In addition to healthier food options, VCS canteens offer spaces for Veterans to relax and recharge their minds, meet family, friends and co-workers for meals or simply take a break in a comfortable place.

Visit the Whole Health website. It is a suitable place to start your Whole Health journey. Download the LiveWholeHealth app to manage your Whole Health journey wherever you might be.

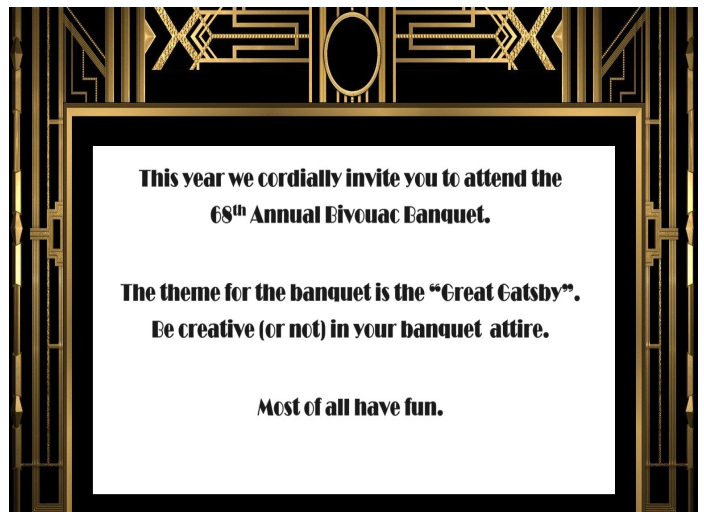

---

**Director CA 1**

By Roxanne Jones

Greetings from California to all Jeepettes:

We are so excited about our new “yardbirds” and gave each a packet full of information about the 20 & 4: Devotional, Manual of Ceremonies, our Echelon Constitution and included information from our Department of California American Legion. We explained about the scholarships we offer to all and hopefully next year we will have some applications. We are getting ready for our Department American Legion Convention coming up soon where we hope to find new perspective members.

## **The Power of Female Veteran Support: Empowering Each Other through Shared Experiences**

Provided by Lisa Dayhoff

In a world where women are increasingly breaking barriers and shattering glass ceilings, it is crucial for female veterans to come together, support, and encourage one another. As women who have served our country, they possess a unique understanding of the challenges, sacrifices, and triumphs that come with military life. This article aims to shed light on the importance of female veterans supporting one another, highlighting the extraordinary strength found in shared experiences.

Women have long faced distinct challenges in both military and civilian life. Female veterans often encounter unique obstacles during their service, ranging from gender biases to balancing family responsibilities. By connecting with fellow female veterans, they can foster an environment of empathy, understanding, and empowerment. The shared perspective allows for a deeper level of support that is vital to their overall well-being.

Creating a supportive network amongst female veterans is crucial, as it provides a safe haven to share stories, seek guidance, and find solace. Through various platforms such as support groups, social media communities, and veteran organizations, women can connect with others who have walked similar paths. These networks serve as a virtual sisterhood, offering a shoulder to lean on and a source of strength during challenging times.

The invisible wounds of war can impact anyone, regardless of gender. However, female veterans may face unique mental health challenges stemming from their experiences. By coming together, they can support one another in seeking the help they need and breaking the stigma surrounding mental health. Sharing personal stories and coping strategies can be instrumental in facilitating healing and fostering resilience.

Female veterans often face gender-specific issues both during their service and after transitioning back to civilian life. These issues can range from healthcare disparities to the reintegration process. By joining forces, female veterans can advocate for gender equality within the armed forces and work towards eliminating the obstacles that disproportionately affect women. Together, they can make their voices heard and drive

positive change.

Female veterans serve as role models and mentors for the next generation of women entering the military. By supporting and encouraging one another, they can inspire young women to pursue their dreams fearlessly. Through mentorship programs and outreach initiatives, female veterans can provide guidance, share wisdom, and instill confidence in those following in their footsteps.

Female veterans have achieved remarkable feats, both during their military service and in their post-military lives. It is essential to recognize and celebrate these accomplishments, as they serve as a source of inspiration for others. By acknowledging each other's successes, female veterans can reinforce a sense of pride, motivation, and unity within the community.

The power of female veteran support cannot be underestimated. By establishing a network of understanding, empathy, and encouragement, female veterans can overcome the unique challenges they face. Through shared experiences, they find strength, resilience, and healing. As women continue to shape the future, it is crucial for female veterans to stand together, empowering one another and creating a lasting legacy of solidarity.
